AEROMIL PACIFIC INVESTS IN ITS MOST VALUABLE RESOURCE; ITS PEOPLE

Aeromil Pacific Managing Director Steve Padgett today announced the appointment of Jared Kirk to the senior management position of Engineering Manager.

Jared Kirk's appointment is an important step in Aeromil Pacific's commitment to enhancing and expanding its aircraft maintenance and engineering services throughout Australia and the Pacific Rim.

Steve Padgett believes that supporting and investing in staff is the key to driving growth in business, especially given these economic times. Steve Padgett said, "Jared will play an important part in the future of our business. He will ensure we continue to maintain a high level of service and customer satisfaction at our two maintenance facilities on Bankstown Airport and the Sunshine Coast Airport."

Jared has been with Aeromil Pacific since its inception and has worked at the Cessna Citation Service Centre in Bankstown for the past twelve years. He has also spent a twelve month period working in the UK at the Cessna Citation Service Centre. As Engineering Manager, Jared will be responsible for all aircraft maintenance and engineering activities carried out at Aeromil Pacific's Bankstown and Sunshine Coast Airport facilities, reporting to Steve Crimmins, Director of Engineering.

Mr Padgett continued "Jared is highly experienced and his integrity, talent and dedication to his work are qualities that we are proud of and value in all of our staff. It is a pleasure to make this exciting announcement which will benefit our business and our customers."

Aeromil Pacific operates full maintenance / service facilities on Bankstown Airport (Cessna Authorised Service Centre) and Sunshine Coast Airport, backed by Cessna factory maintenance programs.

Aeromil Pacific is the Cessna Authorised Sales Representative (ASR) for the Citation family of corporate jets and Caravan Turboprops, and the Cessna Sales Team Authorised Representative (CSTAR) for Single Engine aircraft.
