

Cessna Citation Ultra

Aeromil Pacific is proud to introduce to you Cessna Citation Ultra S/N 560-0332. This aircraft has been the focus of my attention for some time, having been owned for over twelve years by the Cessna Aircraft Company in Wichita, Kansas.

Always hangared at Cessna and superbly maintained by them, the aircraft was used for company transport but specifically to fly Cessna personnel in a support role for Citation Service Centres.

This Citation Ultra was of particular interest to me because it presented like new throughout and had been expertly and professionally maintained by Cessna mechanics (engineers) during that entire period. As a result, the aircraft has a very high mod status and serviceability record.

Cessna finally agreed to release the Ultra to Aeromil Pacific and, having recently arrived from the US, it is now located in Australia at our Aeromil Pacific facility.

This is one of the nicest and best-presented pre-owned Cessna Citations that I have ever seen

Steve Padgett, Managing Director, Aeromil Group of Companies

EQUIPMENT SPECIFICATIONS

YEAR	1996
MANUFACTURER	CESSNA
MODEL	CITATION ULTRA
CONDITION	PRE-OWNED BUT PRESENTS LIKE NEW
SERIAL NUMBER	560-0332

DETAILED DESCRIPTION

ENGINE SPECS (as at November 2011)

LEFT ENGINE	JT15D-5D S/N 500217	Hours = 4,935.2	Cycles = 3,254
Time since HSI:	1579.4	Time remaining = 220.6	Interval = 1,800
Time since overhaul:	1579.4	Time remaining = 1,920.6	Interval = 3,500
RIGHT ENGINE	JT15D-5D S/N 500216	Hours = 4,935.2	Cycles = 3,254
Time since HSI:	1579.4	Time remaining = 220.6	Interval = 1,800
Time since overhaul:	1579.4	Time remaining = 1,920.6	Interval = 3,500
AIRFRAME			
Total airframe hours:	4,949.4	Total landings:	3,270

MAINTENANCE PROGRAM

Engines fully paid up on Power Advantage Plus and enrolled on ProParts

AVIONICS / RADIOS

Honeywell P-1000 Flight Director / Autopilot system with 2 tube 8"x7" EIFIS displays
